

BUSINESS USER REGISTRATION INSTRUCTIONS

Global Management Marketing Strategy Online (GMMSO)

<http://gmmso.com>

A Business User registration requires a Purchase Code that can be obtained in one of two ways:

- 1) Making payment via the PayPal Gateway with a Credit Card.
- 2) Using a valid Purchase Code obtained from the Administrator of GMMSO.

REGISTRATION USING A CREDIT CARD

The Business User can obtain a **Purchase code** by paying the user fee with a Credit Card through the PayPal Gateway. Once payment is made, GMMSO will send a **Purchase Code** to the email address used for the PayPal transaction.

The Business User must create a PayPal account if does not have one. This is for the Business User and PayPal to track the purchase. Once the PayPal account is made, any credit card can be used to pay.

STEP 1

Click “**Register**” button on the Home Page.

Figure 1

STEP 2

Click on **Business User Registration**.

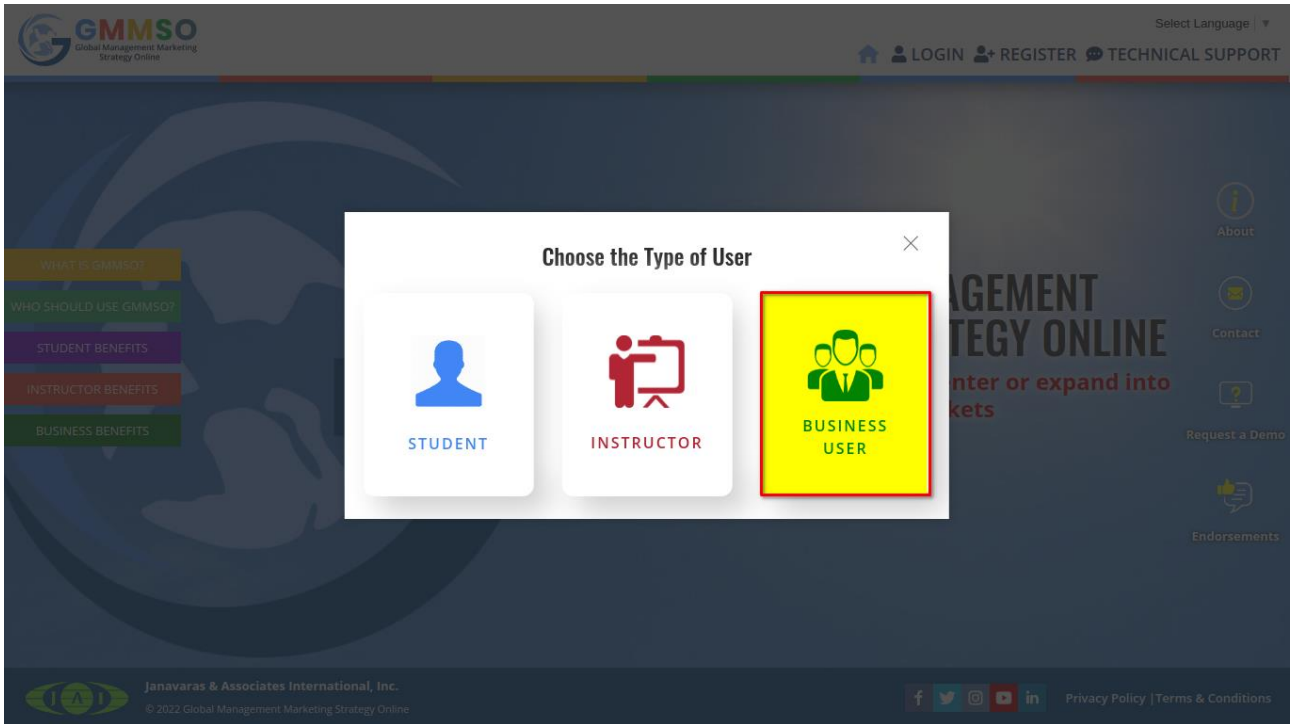

Figure 2

STEP 3

Choose "**Register using Credit card**" option and fill in the details. Once all the details are filled in, click "Buy Now". The Business User will be redirected to the PayPal Gateway.

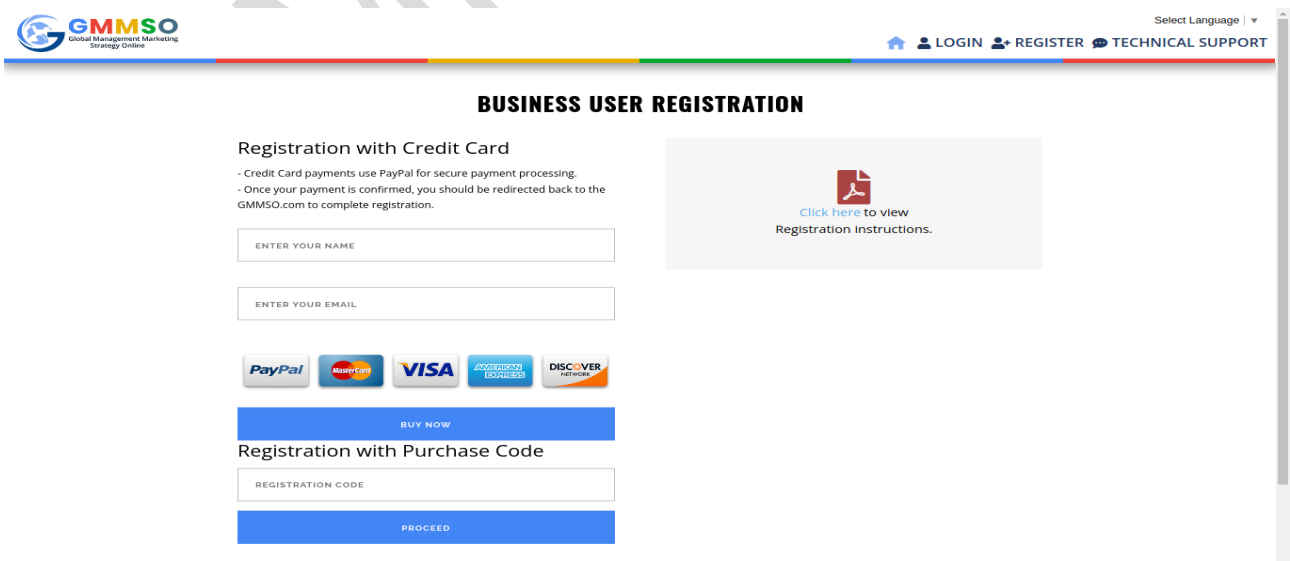

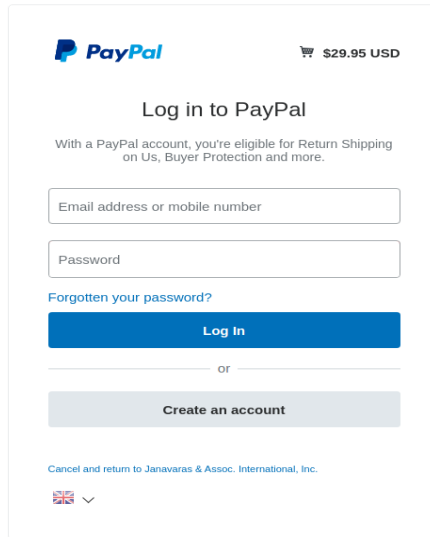

Figure 3

You can **skip the credit card registration** step if you have access to a valid **Purchase Code**.
(See page-7 for more details)

STEP 4

At the PayPal login page, enter the PayPal login credentials (or Create an Account to use the Gateway) and make the payment by clicking **“Pay Now”**.

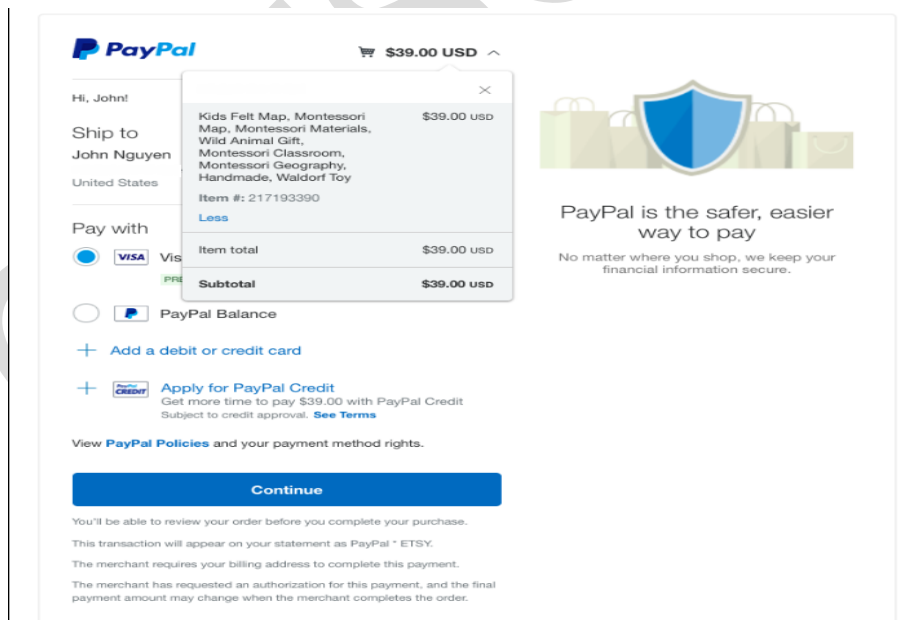

Figure 5

STEP 5

As soon as the payment is successful the Business User will be redirected to the Business User Registration page (**Figure 7**) where the Business User must enter all the required details. In addition, GMMSO will send a **Purchase Code** to the email address used for the PayPal transaction (**Figure 6**). Copy and Paste the Purchase Code on the Business User Registration form (**Figure 7**). **Important: Your email address must be your username.** Click “**Register**” to complete the process.

****Business User will have access to all the three modules of the GMMSO**

STEP 6

After successful registration, the Business User will see a confirmation message. Click on the “**Go Back Home**” box to return to the Home Page to log in or you can login directly from the **LOGIN**.

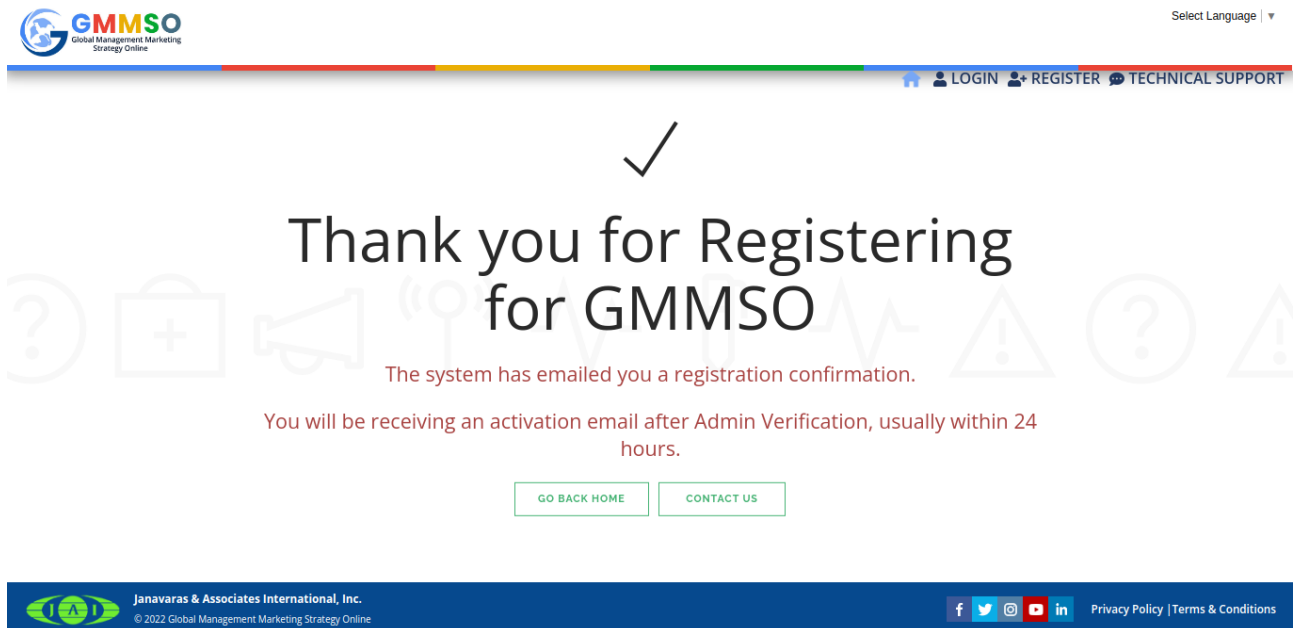

Figure 8

Login credentials will be emailed to the GMMSO registered email address. Please save for future reference.

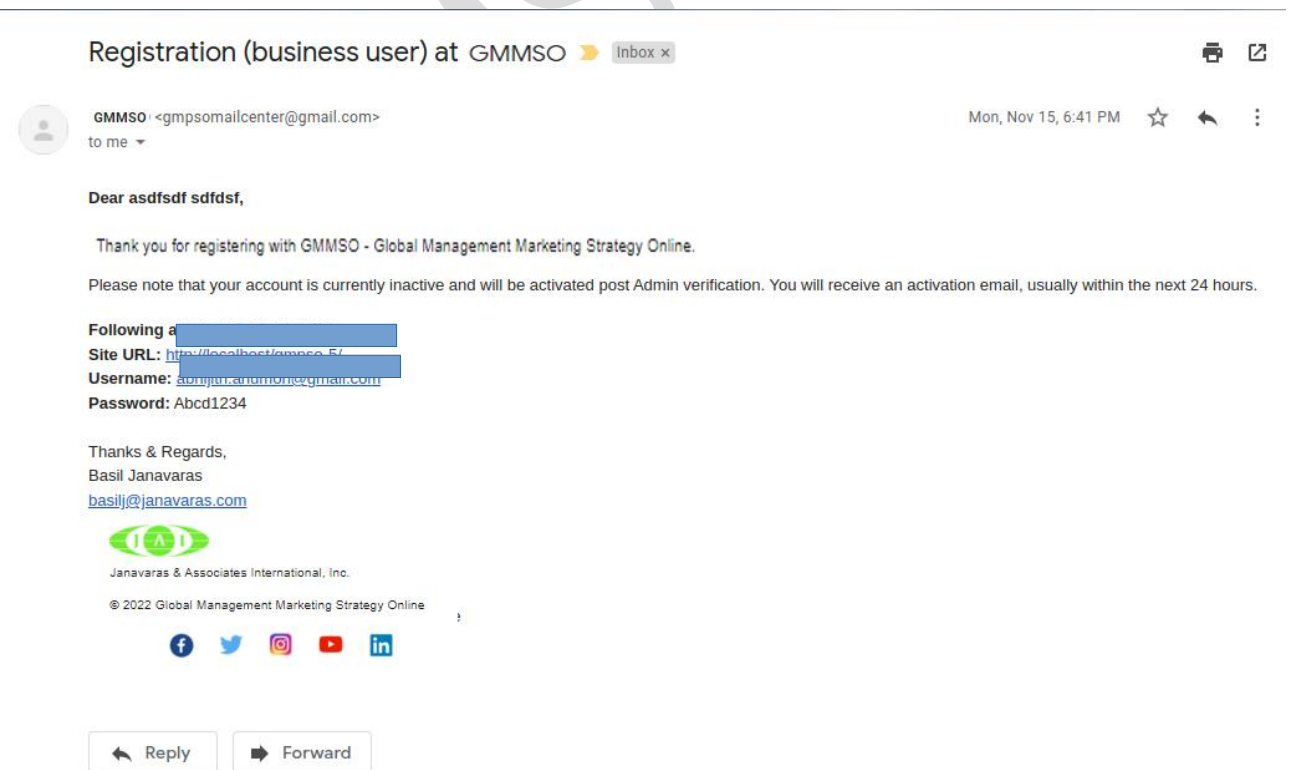

Figure 9

REGISTRATION WITH A PURCHASE CODE

A student can register at GMMMSO with a valid Purchase code provided by the Administrator.

STEP 1

Click “**Register**” button on the Home Page.

Figure 10

STEP 2

Click on **Business User Registration**.

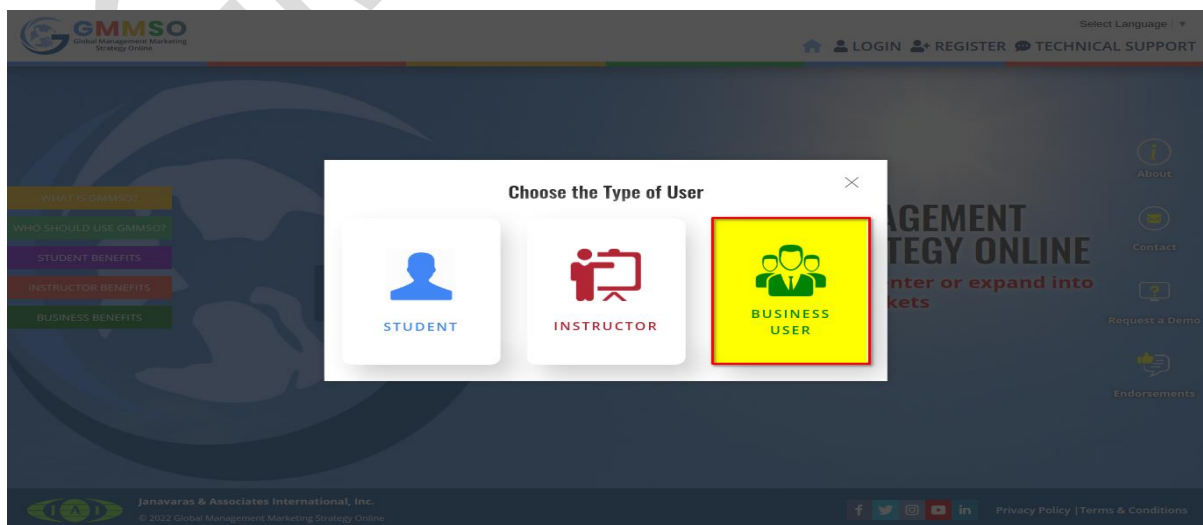

Figure 11

STEP 3

Copy and paste the valid Purchase code provided by the Administrator in the field as shown below and click “**Proceed**”.

BUSINESS USER REGISTRATION

Registration with Credit Card

- Credit Card payments use PayPal for secure payment processing.
- Once your payment is confirmed, you should be redirected back to the GMMSO.com to complete registration.

Registration with Purchase Code

Figure 12

STEP 4

After clicking Proceed button you will be redirected to the Business User registration page as in **Figure 7**. Complete all fields including your Name, E-mail address, etc. Create a password. Click “**Register**” to complete the registration. **Important: Your email address MUST BE your username.**

STEP 5

After successful registration, the Student will see a confirmation message (**Figure 8**). Click on the “**Go Back Home**” box to return to the Home Page to login.

Login credentials will be emailed to the GMMSO registered email address for future reference. (Figure 9)
